

GCSE Health and Social Care Personalised Learning Checklist

Exam Board:

My target grade is:

Topic/Module: Unit 2: Health and Social Care

Values

My predicted grade is:

Year Group:

Use this checklist before your assessment to focus your revision, and after to check the effectiveness of your revision

G	I am confident about this topic and I know what I need to do to revise it
A	I am not too sure about this topic, I may need to check with my teacher and spend more time revising this topic
R	I am not confident I could answer a question on this topic. I need to check with my teacher and ensure I have what I need to revise it.

Revision Resources	Topic / Unit Focus	R	A	G
A: Explore the care values that underpin current practice in health and social care				
	1A.1 Identify how care values are used to support users of services.			
	1A.2 Demonstrate the use of care values in a selected health and social care context.			
	2A.P1 Describe how care values support users of services, using relevant examples.			
	2A.P2 Demonstrate the use of care values in selected health and social care contexts.			
	2A.M1 Discuss the importance of the values that underpin current practice in health and social care, with reference to selected examples.			
	2A.D1 Assess the potential impact on the individual of effective and ineffective application of the care values in health and social care practice, with reference to selected examples.			
B: Investigate ways of empowering individuals who use health and social care services				
	1B.3 Identify ways in which care workers can empower individuals.			
	1B.4 Describe how an individual's circumstances can be used to create a care plan that empowers the individual.			
	2B.P3 Describe ways in which care workers can empower individuals, using relevant examples from health and social care.			

	2B.P4 Explain why it is important to take individual circumstances into account when planning care that will empower an individual, using relevant examples from health and social care.			
	2B.M2 Discuss the extent to which individual circumstances can be taken into account when planning care that will empower them, using relevant examples from health and social care.			
	2B.D2 Assess the potential difficulties in taking individual circumstances into account when planning care that will empower an individual, making suggestions for improvement.
