Vodafone opportunities

Code Like A Girl (29th – 31st March OR 7th – 9th April)

As part of Vodafone's ambition to be the best employer for women by 2025, our #CodeLikeAGirl programme offers a free, 3-day virtual coding workshop to girls aged 14-18. We teach girls the technical skills to build their own websites, including Html, CSS, GitHub and JQuery. The programme provides the skills and encouragement to one day thrive in a STEM focused career.

Applications open now! [Please click here for the application form](#)

Innovators Virtual Work Experience (Easter Break)

After the successful launch of Innovators, we're hosting another 1-week virtual work experience programme for Year 12 students enrolled in school or college in the Easter break. The programme will provide a structured and hands-on insight into working life, where students will hear about exciting innovations from industry leaders, develop practical employability skills, and work on a real-life business project.

Please visit the website for more information. Applications opening in late February 2021.

For information on our programmes, please visit the website.

Our [Virtual Insight Week](#) applications are now open. This programme is for students in Year 12 and gives students the chance to gain new experiences, skills and confidence, as they take their first steps towards their career. Applications close on Sunday 14 March.

Our [School and College Leaver opportunities](#) give students the chance to earn while they learn, and start their career straight from school. Encourage them to apply now to avoid missing out.

We're excited to bring you the latest instalment of our [Virtual Classroom](#) a programme open to students between Years 10 and 13. This month we'll be focusing on our opportunities at PwC and our application process. **We'll also be running a session specifically for parents, carers and teachers.**
