

Core Maths—Bridging Unit

Task 1:

Research taxation in the UK and write a summary of how it works, this you tube clip may help;

<https://www.youtube.com/watch?v=fCRsO22eHEY>

This website would help too: <https://www.gov.uk/income-tax>

Task 2:

By researching anything you need to, estimate how many burgers are eaten in the UK each year. Show all of your working.

Task 3:

Watch the following video on world statistics:

<https://www.youtube.com/watch?v=hVimVzgtD6w>

Write down 5 facts which you found interesting, or surprised you and why.

Task 4

Take photos of any lovely mathsy stuff you see. Examples could be, “special offers” in supermarkets, news paper clippings, news stories on social media or numbers which make you wonder something.

I look forward to working with you in Year 12

Mr Migliore
